Breaking the bondage of poverty with education

OUR VISION AND PRACTICE

Wishlist Advisors is an independent financial services firm specializing in developing plans for our clients to enjoy the money they have accumulated, in addition to investing. Our personalized income strategies are focused on assisting affluent individuals and families maximize their lifestyle along with their legacy.

A NEW ROAD TO RETIREMENT

You may not have the time, desire, or experience to properly plan and manage certain aspects of your life. An experienced financial advisor can help eliminate the scarcity, uncertainty, distress, and ultimate disappointment that investing can sometimes cause. We believe that the essence of high quality retirement planning is being able to have fun and enjoy your money instead of focusing on portfolio performance. We want to be the financial firm you choose to help create a more fulfilling, contented, worry-free, and satisfying retirement.

ELITE CUSTOMER INTERACTION

Our goal is to provide an exceptionally high level of customer service and trusted advice. In order to provide that level of service, we limit the number of clients we work with and only accept one new client a month, limiting us to 12 new clients per year. Our clients are focused on maximizing the enjoyment of their money now, simplifying their finances, and investing for the future. Not everyone may share our belief, but if you do believe that enjoying your money comes first, you will find it mutually beneficial to work with us. Our process begins with a complimentary, no obligation consultation to review your financial portfolio and enjoyment plans.

CONTACT US TODAY TO SCHEDULE AN APPOINTMENT AND START ENJOYING YOUR MONEY.

ABOUT SONNY SEN, CFP®

Sonny is the founder of Wishlist Advisors and an independent financial advisor with over 25 years of financial industry experience. His primary focus is his clients' lives and not their investments. His goal is to develop a plan that will help his clients enjoy their money and retirement now, rather than of waiting for the future.

Sonny earned a Bachelor of Science degree with a major in mathematics from Presidency College located in Calcutta, India. He is a CERTIFIED FINANCIAL PLANNER™ practitioner and currently holds FINRA Series 7, 24, 63, and 65 licenses, in addition to insurance licenses.

Passionate about his culture and community, Sonny is actively involved in Indian American professional groups and the Financial Planning Association (FPA). In his free time, Sonny enjoys art, music, theater, writing, and photography.

ABOUT CAMBRIDGE INVESTMENT RESEARCH, INC.

Wishlist Advisors has aligned with one of the most respected independent broker-dealers in the industry, Cambridge Investment Research, Inc. (Cambridge), to provide comprehensive access to a wide range of diversified products and have access to multiple fee based asset management platforms. Cambridge is not affiliated with any insurance or investment companies and enhances the value of our business – from simplifying supervision to streamlining our workflow – to give us more time to spend with our clients. Cambridge has continually put the objectivity of independent financial professionals first to ensure the long-term success of the financial services industry, financial professionals, and clients while still growing and remaining strong.

8th Sep. 2018

Dear Friends, Patrons, and Well wishers,

I welcome you all to Lily Foundation’s 19th Annual Appreciation gala. Lily volunteers in India and USA continue to work hard in supporting our mission of breaking the poverty cycle by education. We are proud to be part of several underprivileged kids’ education journey and enjoy celebrating their success. This would not have been possible without the financial impetus provided by many Lily patrons and we are highly appreciative of your continued and growing support.

This is a very special year for us as we celebrate the success of two Lily supported students Krishnendu Kundu and Tanmoy Pati. Krishnendu Kundu, son of a marginal farmer family and Tanmoy Pati, son of a daily-labor family, obtained ranks 8th and 10th respectively at West Bengal Council of Higher Secondary Education (grade 12 exams) from a pool of approximately 800 thousand students. Getting two board toppers in a single year is a very special feat! Success stories like these charge us up to extend our reach to as many needy students as possible and make their dreams come true.

Our educational projects in India cover the states of West Bengal, Karnataka, Jharkhand, Uttar Pradesh, with Odisha being the new addition and include SMILE (Scholarship Made for India’s Less-fortunate Entrants) Scholarships, AALO study and coaching homes, computer centers, book banks and vocational training centers. The total student served population has increased to 5,189 from 4,257 students last year with an increase in majority of our individual educational projects.

We have started incorporating digital technologies in imparting education. We have introduced digital slates at four AALO High school coaching centers as a pilot project. These slates are pre-loaded with student and teacher profiles and have educational courses in English, Bengali, and Hindi. We have also defined roles for all directors on Lily board in USA based on functions to include key areas such as institutional fund raising and web and social media promotion.

I extend my heartfelt thanks to all volunteers of Lily Foundation in India and USA and my deepest gratitude to all our patrons for believing in this noble cause and providing support. Thank you for your kindness and generosity over many years in educating a child, changing a life, and transforming families!

Yours truly,
Titas Sarkar
President, Lily Foundation

Letter from our students .. Role of Technology in Education

শিক্ষাক্ষেত্রে প্রযুক্তির গুরুত্ব

প্রিয়া গড়াই

SMILE: 15-071

ছাত্ররা হলো মানবজাতিরূপ উদ্যানে ফুলের কুঁড়ির মতো। সপ্ন দেখার শুরু ছাত্রজীবনেই। ছাত্রদের সেই স্বপ্নকে সার্থক করার পিছনে রয়েছে প্রযুক্তিবিদ্যার একটি বড় অবদান।

আমরা যাকে বলি প্রযুক্তি তার ইংরেজি শব্দটি হলো "Technology"। পাশ্চাত্য লেখক Bronowski বলেছেন "Technology is the sum total of all the different techniques by which man changes his environment". আবার বিজ্ঞান ও প্রযুক্তি পরস্পরের পরিপূরক। একটি কে বাদ দিলে অপরটি অকেজো। আর বিজ্ঞানের কার্যকরী প্রয়োগবিদ্যা হলো প্রযুক্তি। এখন আমাদের দেশ প্রযুক্তিবিজ্ঞানে স্বয়ং সম্পূর্ণ।

আমাদের দৈনন্দিন জীবনে বিশেষত শিক্ষা ক্ষেত্রে ছাত্রদের শিক্ষাগ্রহণে প্রযুক্তিবিদ্যা অগ্রণী ভূমিকা নিয়েছে। বিদ্যালয়ের শিক্ষকদের প্রধান উদ্দেশ্য হলো শিক্ষার্থীদেরকে তাদের শিক্ষা গ্রহণের ক্ষেত্রে শিক্ষণীয় বিষয় সমূহ কে আয়ত্ত্ব করতে সহায়তা করা। এই কাজটিকে সহজ, আকর্ষণীয় ও কার্যকর করতে শিক্ষকগণ বিভিন্ন শিক্ষার উপকরণ ও প্রযুক্তিগত সহায়তা গ্রহণ করেন। আবার অভিভাবকরা বাড়িতে ছেলে মেয়েদের সঠিক শিক্ষা দানের জন্য প্রযুক্তি বিদ্যার বিভিন্ন সাহায্য গ্রহণ করেন। অনলাইনে বিভিন্ন শিক্ষকরা তাদের জ্ঞান দান করে ছাত্রদের অনেক সাহায্য করেন। প্রযুক্তির ব্যবহার করে শিক্ষার্থীরা নিজেরাই অনেক আকর্ষণীয় ডিজিটাল শিক্ষার উপকরণ প্রস্তুত করতে পারে যার সাহায্যে শিক্ষার্থীরা সহজে আনন্দের সাথে তা শিখতে পারে, ফলে তাদের জ্ঞান সমৃদ্ধ হয়। শিক্ষকগণ ডিজিটাল শিক্ষার উপকরণ ব্যবহার করে সফল ভাবে শ্রেণীতে পাঠ দান করতে পারেন, World Wide Web (WWW) এবং ইন্টারনেট এর ব্যবহার করে শিক্ষার্থীরা তাদের শ্রেণীকক্ষে ও পাঠ্য পুস্তকের সীমানা ছাড়িয়ে বিশ্ব ব্যাপী জ্ঞানের সন্ধান করতে পারে। এখন যেকোনো মানুষ, যেকোনো সময়ে, যে কোনো স্থানে থেকে শিক্ষা লাভ করতে পারে। ভারতে বসেও এখন একজন শিক্ষার্থী চাইলে আমেরিকার কোনো বিশ্ববিদ্যালয়ের কোর্স করতে পারে। বাস্তবে একজন শিক্ষার্থী তার শিক্ষককে মুখোমুখি না দেখেও বরং email, chatting, video-কনফারেন্সিং এর সাহায্যে পাঠগ্রহণ করতে পারে। Online এ শিক্ষক তার পরীক্ষা গ্রহণ ও মূল্যায়ন করে সার্টিফিকেট প্রদান করতে পারেন, ফলে সময়ের অপচয় ও কম হয়, আনন্দ সহকারে, ছাত্ররা সেই শিক্ষা গ্রহণ করতে পারে, শিক্ষার অনেক সুযোগ পাওয়া যায় এবং জ্ঞানের সমৃদ্ধি ঘটে। এই ভাবে প্রযুক্তিবিদ্যা শিক্ষার্থীদের যথেষ্ট উন্নতি সাধন করে ওর তাদেরকে তাদের সঠিক গন্ত্যে পৌঁছে দেয়।

বর্তমান যুগে ছাত্ররা প্রযুক্তি ছাড়া শিক্ষার কথা ভাবতেই পারে না। শ্রেণী কক্ষের পাঠদানে তারা অমনোযোগী হয়ে পড়েছে। সর্ব ক্ষেত্রেই তারা প্রযুক্তি বিদ্যার আকর্ষণ ও প্রয়োজনীয়তা অনুভব করছে। বিদ্যালয়ের গতানুগতিক শিক্ষা লাভের পর তারা শিক্ষার বৃহত্তর ক্ষেত্রে প্রযুক্তি শিক্ষাগ্রহণে আগ্রহী হয়ে পড়ে, সাধারণ শিক্ষা গ্রহণে অনীহা প্রকাশ করে। শিক্ষাকে কোনো সংজ্ঞার মধ্যে ধরা যায় না। কিন্তু বর্তমান প্রযুক্তি নির্ভর শিক্ষা ব্যবস্থায় আমরা দেখি জ্ঞান পিপাসা মেটাবার ইচ্ছা থাকলেও উপায় নেই আর সত্যতা, সংস্কৃতির কথা তো ছেড়েই দিই। বর্তমান যুগের এই প্রযুক্তিগত শিক্ষা ছাত্রদের প্রকৃত শিক্ষায় অনুপ্রাণিত করে না। প্রযুক্তির প্রভাবে ছাত্ররা প্রয়োজনের বাইরে তাদের মেধা প্রয়োগ করে না। প্রযুক্তি বিদ্যার প্রভাবে প্রভাবিত ছাত্রদের মানসিক বিকাশের পক্ষে প্রযুক্তি বিদ্যা তাই খুবই ক্ষতিকারক। শিক্ষা প্রসঙ্গে রবীন্দ্রনাথ বলেছেন, "যতটুকু অত্যাৱশক তাহার মধ্যে সীমাবদ্ধ হইয়া থাকা মানব জীবনের ধর্ম নহে। আমাদের দেহ সাড়ে তিন হাত, তাই বলিয়া আমরা সাড়ে তিন হাত পরিমাণ বিশিষ্ট গৃহ নির্মাণ করি না। স্বাধীন বিচরণের জন্য অনেক পরিধি বিশিষ্ট গৃহ নির্মাণ করি". শিক্ষা প্রযুক্তি নির্ভর হয়ে পড়ায় ছাত্রদের মেধা সংকুচিত হয়ে পড়েছে।

এই অসুবিধাগুলি দূর করার জন্য শিক্ষকদের ছাত্রদের কে সময় দিতে হবে এবং সুপ্রশিক্ষণ গ্রহণ করার পর প্রযুক্তি বিদ্যা বিষয়ক জ্ঞান ছাত্রদের দিতে হবে। তাহলেই প্রযুক্তি বিদ্যা শিক্ষার্থীদের জানার ইচ্ছা, জ্ঞানকে সম্পূর্ণ ভাবে সমৃদ্ধশালী করতে পারবে। তাই অবশেষে বলা যায় যে শিক্ষা ক্ষেত্রে প্রযুক্তি বিদ্যার গুরুত্ব অপরিসীম।

14th Annual EDCON, Dec 24, 2017, Hijaldiha, Bankura

Pride of Lily: Braj Bhushan Mishra, SMILE Scholar, 2his father is an electrician. He passed M.Sc. in Physiology from Presidency College, Kolkata, post -graduate from Labour Institute and is employed at Calcutta Electric Supply Corp.

Annual Report, 2017-2018

The Lily Foundation of America

[A non-profit charitable foundation, tax exempt under

IRS Code 501(c) (3), Tax ID [75-2900313]

Dear Patrons,

Let me present you with our activities for the year 2017-2018.

Key Highlights: Student population served is 5189 (up from 4,257) students; We expanded our computer training and high school coaching homes and opened 2 new high school coaching homes, both for junior high students - in Dhulai and in Narrah, each having 22 students. Here's the breakdown of our educational projects

3 AALO Study Homes serving 65 pre-elementary school students

18 AALO Coaching Homes (up from 16) serving 365 students (up from 341): 11 H. School, 7 Primary Coaching Centers

350 (up from 312) SMILE scholarships for high school and college students

15 Computer Centers (up from 12), now serving around 3,288 students (up from 3,143)

1 Vocational Training Center serving 10 students

6 Book Banks serving over 975 students (up from 775)

AALO Centers

Pre-Primary study home: We have three centers serving 65 students from pre-primary grades (kindergarten and first grade) operating at Behala, Boral and Narendrapur.

Primary Coaching Center: We have five centers at Dhulai, Hijaldiha, Suklai and Narrah in Bankura District serving 114 students from III and IV grades. We have two TORCHS center, one at Narrah and one at Dhulai.

High School Coaching Center: We have 11 centers serving 251 students in Math and English at Dhulai (3), Ghatsila (2), Narrah (2), Bandel, Hijaldiha, Baital and Asanbani for students performing poorly in school. Ganjam in Orissa is a potential High School Coaching Center now.

Lily Foundation Computer Centers and Vocational Training

We currently have 15 computer centers. We are currently serving over 3,288 students. Our computer centers are at Ghatsila, Dhulai, Kulbani, Hijaldiha, Amdanga, Bandel, Radhamohanpur, Kolkata, Jaunpur and Hubballi. Our Touch Computer Centers are gaining popularity as these are small and manageable with a student beneficiary count of average 20-30 students with up to 4 computers and limited course materials for the average high school students.

We have now 3 of them at Bandel, Dhulai, and Narrah. The Computer Center sponsorship has been made to a 2-year commitment instead of a 3-year one. We have more requests of High School Computer Centers from Karnataka. We welcome sponsors for this noble cause where 300-400 students get computer education every year.

The vocational centers that were being run in collaboration with local corporate partners through the Corporate Social Responsibility (CSR) government scheme, have been closed as the corporate partners decided to terminate these due to lack of funding. The remaining program, sponsored by OSI Systems, offering pre-primary education and mid-day meals to 22 toddlers hailing from very poor families is ongoing. We are actively seeking new corporate partners to launch new programs.

SMILE Scholarship

We now have 350 scholars (up from 312) spread across the states of W. Bengal, Jharkhand, U.P, Odisha, and Karnataka. Odisha students were added this year. We have SMILE student clusters at Berhampur and Ganjam district. This has been a very effective program with a proven track record of 98% graduation rate for our scholars at 10th and 12th grade Board Exams, scoring extremely well with high percentage and graduating with distinction. We had to increase the award amount of the scholarship to High School as well as College students, so the sponsorship was to be increased. We have made a few other changes in our sponsorship table. We have recently expanded this program by adding scholarships for college and professional (medical, nursing and engineering) careers.

Other India initiatives

We are in the process of developing a Science Lab (Physics, Chemistry and Bio-Science) at a high School in Balichak, where scores of students can train hands-on in science experiments.

We are taking advantage of technology in quality learning by providing Digital Slates to High School Coaching students to learn and practice in a bid to improve performance.

Balurghat flood relief was organized with Chhandam, a local organization. Beneficiary count was 250.

Annual Report, 2017-2018...contd.

Healthcare activities

Our healthcare initiatives such as Women's Clinic, various camps as medical, eye, asthma, bold donation remain strong in terms of number of events increasing and beneficiary counts increasing. Our plan to launch Mobile Medical Unit to help the distant village folks every month.

Events in USA

The Lily Cricket Match took place on April 28th with eight teams made up of local cricket lovers at indoor cricket stadium in Carrollton. India Association of North Texas joined in sponsoring the program. The contributions collected from the players and the funds raised supports will support our several educational projects. Lily Foundation's 2017 Annual Appreciation Dinner was held on September 9th at Plano Marriott Hotel. The elegantly decorated venue was well attended with over two hundred and seventy guests.

Our Feed the Needy (FTN) Program is in its 25th year and continues to get strong support from the community. We feed more than 200 homeless people at Union Gospel Mission Church, Fort Worth, twice a year.

The Annual Spelling Bee Contest was held on March 25th at the reputed University of Texas at Dallas campus. The contest, co-sponsored by IANT, had over 160 participants from pre-kindergarten through 8th. Grade, divided into four groups by grades.

Events in India

The 14th Annual Education Conference (EDCON) was held in Hijaldiha on December with 400 students, teachers and guests combined. The next EDCON (15th) is scheduled for 23rd December, 2018 at Triguna Sen Hall of Jadavpur Univer.

Looking forward

We are continuously striving to improve, and, we always welcome your feedback. The key areas of focus remain as before:

- Strengthen fundraising activity in India, targeting more institutional sponsorships
- Improve ROI of your contributions by expanding coaching, computer training and vocational training programs
- Expand health care related services.

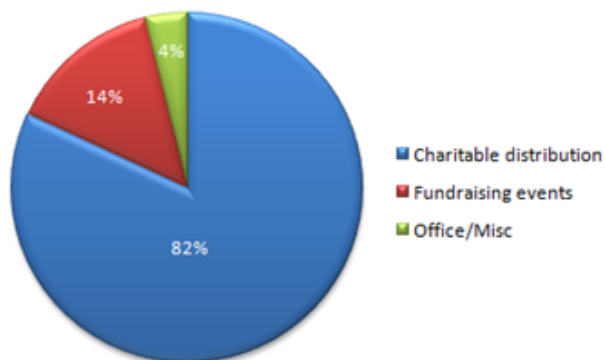

We have been managing our US operations at no running infrastructure or salary expense to Lily Foundation till date and will continue to operate using the same model.

I personally look forward to meeting you at the Annual Dinner on Saturday, September 8th, 2018, at Marriott Hotel, Legacy Town Center, 7121 Bishop Road, Plano, Texas 75024. Thank you for your continued support.

Letter from our students

Sakshi S. Kulkarni
SMILE ID: 17-132

Sakshi passed PUC 1st Year Exam w Science from Tungal College in Bagalkot, Karnataka with 85.16% marks. her father is unemployed. She wins certificates in handwriting, Song & Dance competitions. **Her aim in life is to become a successful engineer.**

Importance of Technology in Education

Mobiles and computers are very useful in today's life like in education, commercial fields, hospitals etc. These are the technologies which have been developed to make our lives easier and better. Especially technology plays an important role in education like online training, learning using smart classes, tablets and computers etc. Through these children can understand the concepts and clearly.

In most of the schools & colleges smart classes are used which provide animated videos, along with information at the bottom of the videos so that students can easily get into the topic which is being discussed and remember for ever.

..Technology helps children to become innovative. They can come up with new ideas and implement them. In this generation children are more conversant in handling technological gadgets that the adults. So learning through technology which they like to play with can go deeper in their minds and also they get interest which creates joy in studying. This way at early ages they come to know about the real world, how to lead their lives and how to succeed?

..competitive exams are taken online. It prevents cheating and mal practice. It also make evaluation easy, fast and very accurate.

..Using technology it's possible for the children to grab the concepts easily and they try to apply them in real lives. This way the children become more creative which create demand for advancement of technologies. Today learning using technology has become a part of the students' lifestyles.

He wants to pursue higher studies in Computer Application

Importance of Technology in Education

At present times technology is transforming more than ever. Technological advancements include social media, online webinars, podcasts which have made students more informative than ever. This has positive impact for students who live in rural areas where educational institutes are limited.

Some notable improvements in education include:

Distance learning- a unique way of imparting knowledge for students remotely through online access and interaction with faculty via online classroom, chat, e-mail or phone call. This enhances overall learning experience.

Online Learning Management System- Here students can remotely login to access course material and also attend live classes with teachers. Pre-recorded lectures, video can be uploaded on LMS platform making it easy for students to go through it multiple times.

Mobile Apps Learning- Since everyone is using smart phones now-a-days, new apps are being launched targeting educational areas where students can download education apps to learn concepts as per their requirement. Also students can start discussion too in case of any doubts and enquiry regarding the subject. There are also model question papers and previous question papers available online which students can refer to and obtain benefit from them.

Puja Koley

Puja Koley, is a SMILE alumni, with medical handicaps she passed State Board Exam with 82% marks. She is currently studying nursing, at Sarenga K. S. Niketan College in Bankura.

পণ - RESOLVE

Gitasree Chakraborty

Scholarship Administration and
Coordinator - Kolkata Office

পড়বো মোরা, শিখবো মোরা, জানবো কৌতুহলে,
দেশ-দেশান্তে ছুটবো মোরা জ্ঞানের মশাল জেলে।
ছাত্র মোরা, কাজ আমাদের শুধুই জ্ঞান-অন্বেষণ,
ভয় কি মোদের সঙ্গে আছে লিলি ফাউন্ডেশন।
শিক্ষা হবে বাহন মোদের, কর্ম হবে সাথী,
বড়ো হবো, মানুষ হবো, খাটবো দিবারাতি।
দুঃখীর দুঃখ-এ সঙ্গী হবো, দুঃস্থ দেব সেবা,
থাকবে মাথায় লিলির আশীষ, রুখবে মোদের কেবা ?
পায়ে, পায়ে এগিয়ে যাবো, দেশকে নেবো সাথে,
জাতির সাথে আপন ভাগ্য গড়বো নিজ হাথে।

বন্ধন - BONDAGE

Suchona Patro

Aalo 17, Narrah H School
Coaching student

ঘরের কোণে একলা বসে থাকি,
আমি খাঁচায় বন্দি পাখি।।
অন্যের ব্যাথা না বুঝে,
জানিনা কবে মুক্ত হবো,
নিজের চাহিদা মেটায়।
দেশ-দেশান্তরে পাড়ি দেব,
কবে মানুষের ভুল ভাঙবে,
উড়ে যাবো শস্য শ্যামলা প্রকৃতির কাছে।।
হবে শুভ বুদ্ধির উদয়-
আমি মুক্ত হতে চাই,
দিনান্তে শুধুই ভাবি,
অন্যের কথা মতো নয়।
আবার কবে গাইবো গান
আমার সৌন্দর্য্য ঘরের আকর্ষণ নয়, কবে ভাসবো সোনা রৌদ্রুরে
এতো বিশ্বের আকর্ষণ।। স্বপ্ন শুধুই স্বপ্ন থেকে যায়
মানুষ বড় স্বার্থপর- নেভে না মোর আকাঙ্ক্ষার উচ্ছাস।।

टैब से बेहतर शिक्षा प्राप्त कर सकेंगे विद्यार्थी : मिश्रा

विद्यार्थियों को टैब की जानकारी देती प्रधानाध्यापिका.

घाटशिला. घाटशिला के जगदीश चंद्र उच्च विद्यालय परिसर स्थित आशा ऑडिटोरियम में सोमवार को प्रधानाध्यापिका चैताली नाथ की अध्यक्षता में शिक्षा पर जागरूकता कार्यक्रम किया गया. विद्यार्थियों को टैब के माध्यम से शिक्षा प्राप्त की जानकारी दी गयी. सुबीर मिश्रा ने कहा कि लीली फाउंडेशन शिक्षा के क्षेत्र में बेहतर कार्य

कर रहा है. आज शिक्षा के क्षेत्र में कंप्यूटर की जानकारी जरूरी है. लीली फाउंडेशन के घाटशिला संचालक बापिन चौधरी ने कहा कि जेसी हाई स्कूल के कक्षा 9 और 10 वीं के छात्र-छात्राओं को टैब दिये गये हैं. मौके पर मौसमी भट्टाचार्य, सुभाष दाम, अजय चक्रवर्ती, अमित वर्णन हुई समेत छात्र-छात्राएं व शिक्षक-शिक्षिकाएं उपस्थित थे.

बहरागोड़ा. बहरागोड़ा के देशुआ जाहेर गाड़ में रविवार को विधायक कुणाल पांडेगी की पहल पर लिलि फाउंडेशन की ओर से स्माइल स्कॉलरशिप मेला आयोजित हुआ. इसका उद्घाटन बतौर मुख्य अतिथि विधायक कुणाल पांडेगी ने दीप प्रज्वलित कर किया. मेले में विभिन्न स्कूलों के 200 बच्चों ने भाग लिया. इसमें चयनित विद्यार्थियों को हार्दिकता से ज्ञानदान दी जायेगी. विधायक ने कहा कि इस
